Joan,

FYI and action (updating). Two items to correct. On the list of personnel, Matt Loesel is not an OSC. He is part of the Response Support Corps (RSC) and occasionally serves as the Planning Section Chief (PSC) when needed. Raj Dut, of Weston, is a contractor who works on GIS issues for them and is also not an OSC. Everything else looked correct.

Thanks,

Derek

Susan,

The attached document is the hybrid Information Management Plan/Community Involvement Plan that we discussed. This draft features information regarding Resources and Planning that John and Matt should review.

Not sure if I will be assisting with the response effort tomorrow. I have to touch base with my Supervisor. Just wanted to make sure you have a draft.

Respectfully,

Joan Drammeh
